Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. §§ 1.56 and 1.97 to inform the U.S. Patent and Trademark Office ("PTO") of all references coming to the attention of each individual associated with filing and prosecution of the subject application which are or may be material to the examination of the subject application, Attorneys for Applicants hereby invite the Examiner's attention to the references listed on the accompanying revised PTO Form 1449 entitled "List of References Cited."

Identification of references listed on PTO Form 1449 is not to be construed as an admission of Applicants or attorneys for Applicants that such references are available as "prior art" against the subject application. The right is reserved to antedate any item in accordance with standard procedure.

This submission is understood to complement the results of the Examiner's own independent search. The submission should not be construed as a representation that a search was made, or that the cited items are inclusive of all the relevant and material citations that may be available publicly.

Applicants respectfully request that the Examiner review the references cited in the enclosed List of References, and that they be made of record in the file history of the above-captioned application.

Applicants believe that no fee is required with the submission of the enclosed Information Disclosure Statement because the IDS is filed before the mailing of the first Office Action on the merits; however if any fee is required, the Commissioner is authorized to charge any required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A copy of this sheet is enclosed for accounting purposes.

Respectfully submitted,
